2:30p - 4p ✦ CPZ GRAFFITI WORKSHOP

CPZ (collective paint zone) is providing a truck outfitted with large canvases for you to practice large scale painting! With an emphasis on street/graffiti art, CPZ shares what they know and learn what they can. After the workshop CPZ will be performing their own original art.

TEMPLE: SUNDAY

(Tyrus Watson)

1:30p - 3p ✦ MENS CIRCLE

For thousands of years, men have come together and sat in circles. In our modern world this practice is largely lost. Come explore what it means to be a man, create a safe space and support each other. It's a place to be real, drop the story, and be empowered to be who you truly are. Aspects of a men's circle are speaking from your experience, listening with compassion, confidentiality, brotherly support and more. Please arrive early so we can start on time. We have a limited amount of time and at some point new arrivals will be stopped as we form a safe container to go deeper. Please bring an open mind and an open heart.

ROOFTOP SATURDAY

(Melody Sample)

10:30a - 12p ✦ ROPE BONDING MEDITATION

Meditation, energy exchange and surrender : learn the energy and communication of rope, deepen trust, practice communication skills and delve deeper into surrender. Learn Shibari/ Kinbaku inspired rope bonding as a tool for meditation with this hands on intro to basics workshop.

(Jenna Gully)

12 - 1p ✦ TOE READING WORKSHOP

Toe reading combines Reflexology, Polarity and Life Coaching principles to bring a deeper understanding and acceptance of your Soul. Learn how to read your own feet based off the Elements, chakras & metaphors shown through the holograms in the feet.

(Elliana Koput)

1 - 2p ✦ SELF-ACTUALIZATION THROUGH POETRY: WRITING FROM WITHIN

Join us to actualize and release our innermost sensations. Diving into our rawest streams of (sub)conscious, we will work to compose our own rhythmic truths. May we strengthen the means by which we communicate with ourselves.

(Jenna Gully)

2 - 3p ✦ FEEL GOOD YOGA

Guide yourself to wellness through exploration of movement, breath & meditation. All Levels Welcome! Come unwind, listen to your body & give yourself what it needs.

(Genesis Alaena Hanck)

3 - 4:30p ✦ GENESISFLOW - A TANTRA YOGA FLOW CLASS

Learn to step into the light of your own type of flow. Listen to your body and your higher self for guidance on what you really need. These moments are about you, no one else. A time to let go of anything that happened in the past or future. Focus on the now. Give love to your body and put your focus on the inside, connecting both your feminine and masculine energy during the flow.

(Alyssa B Herren)

4:30 - 5:15p ✦ LAUGHTER THERAPY

Laughter Therapy aka laughter Yoga or Hasya Yoga is a form of connecting to self and others via LAUGHTER. Participants will experience freedom in our ability and nature of laughter as well as a feeling of rejuvenation and health. Laughter Therapy invites you to liberate your Laughter and feel the oneness of life with bliss and joy.

HOGAN SATURDAY

(Lamar Myers)

12p - 12:45 ✦ CBD MEETS FITNESS (The Hidden Benefits of Both)

Learn the 3 secrets to getting fit while using the Fitness Made EZ system and learn all the benefits CBD has to offer like reduce the breakdown of important chemicals that we produce like serotonin and anandamide to make our bodies feel more joy and relaxation...and way less stress.

(Jan Michael Meade)

1 - 2:30p ✦ SOMATIC PRANA MEDITATION
AND COSMIC BODY TECHNIQUE

Somatic Prana Meditation is guidance into the direct awareness of the body in its present energetic state. Cosmic Body Technique is an ancient Dharana that links up the body mind | Consciousness to the universal consciousness, and any layer in between. These two practices lend to deeper embodiment and transcendence.

(Kevin Wilson)

2:30 - 4p ✦ COMMUNITY WORK WITH SOUL: A DIALOGUE

EXPLORING CREATIVE PLACEMAKING, LEISURE, & FESTIVITY

This workshop explores Creative Placemaking at festivals and how we, as festivalgoers and co-creators, embody this practice when we return to our residential communities via leisure, festivity, and work. Our collective capacity and agency to engage in dialogue and festive activity in our neighborhoods is introduced as a critical discussion topic for attendees to weigh in on.

(Rachael Eve Marshall)

4p - 5p ✦ TEACHINGS FROM THE ANCIENT VEDICS

(Michael Garfield)

1p - 2:30p ✦ REWILDING THE SINGULARITY: NONLINEAR
EVOLUTION & WEIRD NATURALISM

Join paleontologist-futurist Michael Garfield, host of Future Fossils Podcast and social media strategist for the Santa Fe Institute, for a guided tour through the endlessly folded and mutating landscape of evolution – a twisted manifold in which the subject-object, nature-culture, and made-born dualities dissolve to offer a third way into the metamorphic truths of our condition.

(Darren Bingham)

2:30p - 3:15p ✦ GARBOLOGY AND THE PEDAGOGY OF OUR WASTE

Often times leave no trace ideals apply to a particular space or place which means people then displace their trace to somewhere else. Come find ways to leave no matter out of place.

(Zachary Tyler & KJ Robinson)

3:15p - 4:45p ✦ SOMAWAKE: A CACAO AND FIRE ACTIVATED
EMBODIMENT CEREMONY, ECSTATIC DANCE AND SOUND HEALING

Come gather with community and experience the sacred healing and empowerment of a cacao and fire ceremony before moving into a lightly guided somatic ecstatic dance to integrate and deepen the relationship between you, your body's healing wisdom, the connection with other tribe members and Gaia herself. Together, KJ and Zachary will create a safe space for you to tend to the wounds of our selves and the earth as we transform, embody and celebrate truth and our collective empowerment. Then to finish our practice and dance we will move into a sound healing to help integrate and ground our experience.
