### THE FLOW

The intention of this gathering is to build stronger connections with our Arizona community and beyond. This event is curated with a particular flow that builds up and coasts back down again.

Friday evening is focused on **GROUNDING IN**, connecting participants for the weekend and experiencing a variety of live music and performances. Friday night, the music will end at 2am, allowing everyone to rest and recharge for a full day **ACTIVATION** on Saturday with projects, workshops and activities that will carry into musical selections through sunrise on Sunday. Please share in the magic of sunrise with us - whether you prefer to get some sleep and wake up early or dance through the night to greet the new day. Sunday is an opportunity to **REST** and **RECHARGE** before heading home on Monday. Our dome stage will take a pause for several hours after sunrise, while DeWomp hosts self love and self-care classes. Music programming will pick up again at 4pm until midnight. ## STARGATE HEADQUARTERS:

### Volunteer Check In, Rangers, Medical and Support Services

Our Headquarters is located in a carport across from the shipping containers. Volunteers should check in and out for their shifts here. Headquarters will also be the base for our Medical and Ranger team.

Rangers are peace keepers who serve to de-escalate conflicts and provide support in medical and psychedelic emergencies. Think of them as mediators and helpers. Look for Rangers in green reflective suspenders. Medical staff will have orange reflective suspenders.

We have a Support Service team on call if you or a friend need psychedelic or emotional support. If you need help at any point, come to HQ or find someone with a walkie who can call for the support you need. Don't try to diagnose, just describe the situation.

In a medical situation, do not try to move the person or administer any medicines or substances on your own. Do not leave the person alone if possible. Delegate someone to stay and another person to find someone with a walkie to call for a Medic, or run to the Medic station at HQ.

# GATEWAY RANCH DIRECTIONS

Latitude and Longitude: N35°23'17.615" W111°16'43.513"

Please do NOT use Google Maps or any other app. Eventually technology will catch up with us but we can't trust it yet.

Please go the speed limit and drive carefully. This is a private gathering and we do not want to attract extra attention or bother the neighbors.

For those who've been to Gateway Ranch before – A new road has been built in the area where the old log cabin was. This affects a short section about 6 miles in, and the road is a bit shorter and straighter now.

## FROM FLAGSTAFF

- Take I-40 EAST out of Flagstaff
- Take the Cosnino Rd. exit. Turn LEFT/North
- Go 2 miles (25 mph limit) to the T at Camp Townsend-Winona Rd. Turn RIGHT/East
- Go about 1.5 miles to LEUPP ROAD and turn LEFT
- Go about 12 miles. You'll drive one mile past the STAR School driveway and 8/10 mile past MILEPOST 440
- Look carefully for a dirt road and a group of 10 mailboxes on your LEFT. These mailboxes are a little hard to see, but keep an eye on the mile markers and slow down after mile 440
- We will have signs with a Star and a G at this point and to keep you on your path

## DIRT ROAD DIRECTIONS

Follow this dirt road for just over 7 miles. The road is graded and not usually too bumpy. It helps to drive 30-40 MPH on washboard when you feel safe to do so and can see the road ahead of you. If you slow down, it gets more bumpy. But only go as fast as you feel is safe.

Important: be sure you stay on the main graded road that is wide enough for two vehicles to carefully pass each other. There are other roads meandering around the area, but if you stay on this graded road it will take you all the way to the Gateway Ranch. If you're going over rocks or lava, turn around!

## Landmarks by Distance from the Mailboxes

\*2 miles: Cattle guard

\*3 miles: Intersection with low stock tank on your left  
( IMPORTANT: the Ranch road curves to the Right )

\*5 or so miles: you'll go to the Left up (and then down) a hill

\*6 miles (former site of old log cabin): Changes in road here.

\*7 miles: You'll see the Temple, Dome, and other buildings. Turn left at the sign (StarGate ReUnion Welcome) and come through the gate.
